Tricia Sine named Executive Director for Bartlett Regional Hospital Foundation.

Resident of Alaska for over 18 years, Tricia Sine first fell in love with the place she calls home in 1992.

Before joining Bartlett Regional Hospital Foundation in August 2010, Tricia worked as the Executive Assistant for the Juneau Chamber of Commerce. This experience taught her the meaning of hard work. During her time there, Tricia's experiences extended from membership retention to raising funds through existing and newly implemented fundraisers as well as lending support to other non-profit groups. During her time there, the Juneau Chamber was awarded the prestigious "Chamber of the Year"

award.

Tricia is deeply aware of the critical role the Health Services industry plays in the region. Her leadership experiences coupled with her fundraising abilities will help assist the Foundation in achieving its fundraising and charitable goals.

As the Executive Director with Bartlett Regional Hospital Foundation, Tricia looks after and manages all aspects of the Foundation, including donor development, new fundraising opportunities and successfully executing existing fundraisers.

In her off time, Tricia enjoys spending time with her family. Her husband Darren and daughter Erin love everything that Juneau has

to offer from kayaking to the Mendenhall Glacier to playing City League volleyball. Tricia also has another little girl on the way who is expected to arrive in late January.

To contact Tricia please email brhfound@gci.net or visit the Foundation's website at www.brhfoundation.org.

A pessimist, they say, sees a glass of water as being half empty; an optimist sees the same glass as half full. But a giving person sees a glass of water and starts looking for someone who might be thirsty.

Pick. Click. Give.

A Great Way to Support the Bartlett Regional Hospital Foundation

In January, when you apply for your Permanent Fund Dividend, you will have the opportunity once again to give to your favorite Alaska nonprofit organizations. The **Pick.Click.Give.** Program was a success the first year – with 5,100 Alaskans giving \$545,000 to the state’s charitable organizations. Program organizers expect the program to provide even more support in 2010.

Pick.Click.Give. is a safe and secure way to make a donation, and it’s available to all Alaskans who file online for their PFD.

Bartlett Regional Hospital Foundation supports **Pick.Click.Give.** – we believe it helps all of us together become an important force in bettering our communities and our state.

When you go online to sign up for your dividend, you will see the **Pick.Click.Give.** option. Just follow the instructions to make a donation. More than 360 organizations qualified for the program this year, so you’re likely to find one you already support and you can use this to make an additional gift. Or you may find a new organization whose mission is im-

portant to you, and you can donate to that organization. You may give part or all of your dividend, whatever is appropriate for you and your family. We simply encourage you to give.

You can find more information about the program, including frequently asked questions, at www.PickClickGive.org. Or you may call 888-785-GIFT (4438).
